Puppy Purchase Agreement and Health Guarantee

Ramblin Ridge guarantees your puppy to be of excellent health with the following health care provided:

- Regular puppy appropriate de-wormings
- Puppy Shots beginning at the age of 6 weeks and at recommended intervals until time of sale.

Your puppy is guaranteed not to have any congenital life threatening health defects. Your Veterinarian must examine your puppy within 3 business days after possession for this guarantee to be honored.

- If any health problems are determined, I must be contacted immediately and with written diagnosis I will then have the puppy examined and consult with your Veterinarian. If it is determined there is a problem directly Attributed to me or the breeding, you may return the puppy for a full refund. However, I will not compensate for any treatment of said illness prior to my knowledge or consent of same.

The listed Health Guarantee is contingent on:

- Puppy is examined by a licensed Veterinarian within 3 Business days following possession.
- Recommended vaccination regimen of licensed Veterinarian.
- Exam and prevention measures for intestinal worms, Heartworms, and other parasites.
- Your puppy is registered with AKC. And/or ASCA when applicable.
- Your puppy is protected with proper shelter from the elements.
- Your puppy is fed high quality food and fresh water daily.
- Daily play and socialization. Obedience training is highly recommended.
